### **PAYMENT TO CRIMINAL ORGANISATIONS FOR ALLOWING WORK TO CONTINUE: CITY OF TSHWANE AREA**

The City of Tshwane has recently been inundated by a scourge of mafia style "business forum" operations that demand cash payments and other illegal favours from contractors working in various areas throughout the city. This came to our attention when one of the developers cancelled projects to the value of R60 million.

In view of this, the City has had to interdict these "forums" (High Court Case No 23260/2017) from interfering on projects and we request that you do the same.

The only official process of communication with the community should be through the **ward councillor** and his/her ward committee.

We trust you will find this in order.

Regards

Dr Moeketsi Mosola  
CITY MANAGER
