The conditions, as promulgated in the PROVINCIAL GAZETTE No 38 dated 19 February 2014 published under LOCAL AUTHORITY NOTICE 217, (Municipal Notice No 229 of 2014). are applicable.

WAYLEAVE APPLICATION – CROSS-CUT APPROVAL

CONDITIONS

I, the undersigned Applicant hereby,

- 1) undertake to follow and execute the process for approval as dictated by the Wayleave Management System at <https://wayleave.tshwane.gov.za/>
- 2) undertake to adhere to the conditions as set forth by all of the Service Agencies, including the conditions imposed during the Design Review
- 3) acknowledge that Service Agency services information is given in good faith and that the accuracy of this information is not guaranteed
- 4) undertake to furnish the City of Tshwane's Service Coordinator with all necessary documentation and information as required for, and as forming part of this Approval and further processes and procedures regarding work within the public road reserve
- 5) guarantee all backfilling and permanent reinstatement work done by our appointed Contractor, for a period of 12 months from the time when the work is signed off as completed by the City of Tshwane Metro Municipality (CoT) Inspector and Service Coordinator
- 6) accept responsibility for all costs associated with the work, including any damages to other services, backfilling and reinstatements of trenches,
- 7) the cost of any tests that may be required and any claims that may result from the work until the permanent reinstatement is completed
- 8) indemnifies the CoT against any claim(s), cost or damage or loss of whatsoever nature that may be incurred or sustained by the CoT, the applicant or any third party and also against all actions, legal proceedings and claims of whatsoever nature that may be instituted or made against the CoT arising out of, by reason of, or in any way whatsoever caused by or connected with the exercising by the applicant of the rights granted by the issuing of this approval as well as in respect of cost which may be incurred by the CoT in examining or resisting any such demands, actions, legal proceedings and claims, instituted by any person or party for injury to person(s) loss of life or damage to or loss of property, arising directly or indirectly from exercising the permission granted with approval of this application
- 9) undertake to ensure that the contractor(s) who undertakes the work on our behalf will comply with the statutory Occupational Health and Safety Act No 85 of 1993 before the contractor(s) executes any work in the Public Roads Reserve (PRR)
- 10) accept the terms and conditions of this approval
